Dear Mr. Attack:

The purpose of this letter is to notify you, as the current President of FACTNet ("Fight Against Coercive Tactics Inc."), of a letter which was sent to the Internal Revenue Service concerning FACTNet's submission of a fraudulent tax exemption application, which resulted in FACTNet being granted tax exempt status last year.

My interest is in FACTNet's circulation of false statements about members of my Church, and propaganda designed to incite hate against the Scientology religion, which violates the nonprofit "educational" status upon which FACTNet based its exemption application.

You should be aware of the full scope of the situation so that you can take any action which you deem appropriate from your position. I have enclosed a copy of the letter which was submitted to the IRS in February 1994 and a supplemental letter sent in November 1994.

The exhibits to this letter can be forwarded to you upon your request.

Sincerely,

Rev. Lynn R. Farny  
Secretary
