This is total bullshit isn't it?

Someone, some independent person, like Sten-Arne, give me a count of how many postings on the Internet (assume they're all to a.r.[S]) I made during the period Wilson specifies: period February 20, 1998 to July 10, 2000.

I think this is total black propoganda at its blackest. Even Wilson has available to him people with the brains necessary to count how many posts I made between February 20, 1998 and July 10, 2000.

I think Wilson the crooked cult collaborator was going to spring the other thousand or more of my violations of one or more provisions of the criminal cult's injunction on the poor judge who gets this matter once I'm safely in jail for the mere 131 violations of one or more provisions of the Injunction.

Wilson is such a liar I don't trust a word he says.

But someone, please help me out with an independent count of all the posts I made to a.r.s. from February 20, 1998 to July 10, 2000. Don't
